CEO'S INTRODUCTION

This SAADA booklet is a celebration of our diverse membership: a unique community of like-minded authorities in their respective fields. Our members distinguish themselves through their knowledge, experience, code of conduct and passion for their fields of specialty.

The South African Antique, Art & Design Association is steeped in history and tradition. Founded in 1963, it is the oldest association of its kind in South

Africa. Keeping up with the ever-changing times, SAADA has evolved into the modern association it is today by including modern and contemporary art, design and jewellery into its portfolio. For us it is all about quality and authenticity.

For the SAADA experience and to meet us in person, visit our boutique-style fairs held annually in Johannesburg and Cape Town. These fairs have become a highlight for avid

collectors, as they showcase a curated selection of the best quality items available. Our members are always eager to share their treasures with you via their shops, websites and social media platforms, so feel free to contact them through their details published in this booklet.

Stay up to date by joining our mailing list (www.saada.co.za) and following us on Facebook (@SaadaAntiques) and Instagram (@saada_antiques).

SAADA Greetings
Riaan Bolt

Chief Executive Officer,
The South African Antique,
Art & Design Association.
